LOLITA SAN MIGUEL RETURNS TO GERMANY WITH HER POPULAR MASTER MENTOR PROGRAM™ IN MONCHENGLADBACH IN 2012

Monchengladbach Germany 
May 22-26, 2012
September 26-30 2012

Lolita San Miguel, First Generation Teacher, one of the only two persons certified by Joseph Pilates himself, and respected Pilates Master, returns to Germany and will be starting her renowned Pilates Master Mentor Program, the world's leading mentor program in the Pilates Method, in Monchengladbach, starting May 22-26, 2012 with the second session September 26-30.

The two-year, 160-hour, 4-session Program is designed for Pilates professionals with a comprehensive certification who have been teaching the Pilates Method for 3 or more years. The sessions will be held in English at the beautiful "Haus Erholung".

Participants who complete the Program successfully will earn the title of Lolita San Miguel Pilates Master™ and receive a diploma. In addition they will also be granted the title of Second Generation Pilates Teacher. Ms San Miguel is one of only three persons in the world who can grant this coveted title.

For more details on the Pilates Master Mentor Program™ visit www.lolitapilates.com or contact Claudia Holtmanns, who will be hosting the Program, at ch@findyourself.de. Claudia is also a graduate of the Program.
